### OVERVIEW

Planning for a weekend getaway from Delhi for yourself that will grant you and your friends a break from the daily hustle and bustle of city life? Then this trip to Tirthan and Jibhi is an ideal choice for you. Tirthan river valley is a paradise that is surrounded by thick forests and is really not that discovered, along with a stunning backdrop for those who enjoy camping. At a height of 10,800 meters sits the beautiful Jibhi Jalori pass, which can be accessed either by road or by foot as you join a trek. You can tour the lovely Serolsar Lake which is located amidst a beautiful backdrop of lush green hills and towering trees.

#### **Highlights of the trip**

Tirthan Valley is one of the most wonderful destinations in the state of Himachal Pradesh. The village traces its name from the Tirthan River, which dawns from the glaciers of the Himalayas. The valley is very popular for its scenic beauty, rich green forest, lakes, hikes, and camping adventures. This Tirthan Valley package from BanBanjara gives you an opportunity to travel it all and will help you enjoy an idiosyncratic and less congested version of Jibhi. If you are traveling by a Volvo you need to get off at the starting point of Aut Tunnel and from there you will be picked up by a private vehicle that will take you to Tirthan Valley. The package also includes a local and knowledgeable guide for the hikes and a vehicle along with a local driver for comfortable travel and a stay at the camps in the Tirthan Valley.
